Hi Sonja -- Thanks for your email. I handled this case on the last court date several months back, but Mike Russo was the trial ADA for today and I didn't know the case was on. I just spoke with him and he said you will NOT be needed in court today. The drug charge has been resolved prior to trial (although a different OUI charge is still on today). Sorry you were not notified earlier! Enjoy your day!

Jen

Hi Jen-

I'm just checking in regarding the [REDACTED] case that is scheduled for trial today in Northampton. I know that at one point you thought that the case was going to plea/it would only be a civil infraction, but I received a summons after you told me so I'm not sure what is going on. I'm going to assume that I am on-call unless I hear otherwise from you. So if you are going to need me, please let me know as soon as you know. Thanks.

Hi Jen-

I received your summons for the [REDACTED] case scheduled for trial on 2/15/12, but I don't see the lab number(s) listed on the summons. By looking up his name, I'm guessing that the lab number is [REDACTED] but it would be great if you could confirm that with me. Thanks.
